Whales with orange flippers  
Bananas with zippers  
Watching water colors run  
Clear to the rear for, stand up and cheer for

**No rhyme or reason to our madness,  
Just tons of joyous goofy gladness**

Green eggs and ham with hash browns  
Baseball with touchdowns  
Cotton candy on a bun  
Nothing that's serious, half past delirious  
If you should query us – Just Fun**

Be our special guest for – Just Fun**

### **3) Scratch, Scratch in the Pumpkin Patch**

**One chilly October night  
As I watched tricker-treaters go by  
I thought maybe I'll make a jack-o-lantern  
Or bake some pumpkin pie  
Well, I got on my coat and hat  
And went out into the chilly air  
But as I got close to my garden  
I got quite a scare**

**I heard a scratch, scratch  
In the pumpkin patch  
A scratch, scratch, scratch  
In the pumpkin patch**

**Was it a wolverine or a wildcat?  
A tiger, or a monkey or a lemur?  
A black cat or a jaguar,  
A werewolf or a vampire?  
Whatever it was  
it was a screamer**

**I heard the scratch, scratch  
In the pumpkin patch  
A scratch, scratch, scratch  
In the pumpkin patch  
I guess I could call 9-1-1  
But I think I'll just run!**

**Guess what I made up in my mind?  
What?**

**There is some wicky wacky ticky tacky

A toothless timid alligator  
Chewing on a ripe tomater  
With her tail stuck in the elevator door**

**A whiney little purple critter  
Crying to her baby sitter  
'Cause she wouldn't go  
And get her more of the

In the middle of a slicky slacky floor**

**Guess what I made up in my mind?  
What?**

**There is a willy nilly super silly

Bees and bugs and beetles  
Riding skis and rugs and dweedles trying  
To get a peachy piece of  
My Aunt Milly's pie**

"Anyone know where we're going?"  
Hair is blowing as it rushes by on the  
Willy nilly super silly

To make the world much brighter  
If you can imagine a pink polk-a-dotted tiger**

**If you can imagine  
A sparkle berry flavored sky  
With marsh mellow clouds  
Gently rolling by

You'll be imaginized  
You'll free every sweet surprise

## **8) The Billy Goats Gruff**

**The grass is greener on the other bank,  
Said the Billy Goats Gruff to each other  
We'll cross over this wooden bridge,  
And have ourselves a mighty fine supper**

**The first of the three, the smallest was he,  
Started to the other ridge  
Little did he know, a very hungry troll  
Was hiding under the bridge**

**Alright, we're going to trip trap like a little billy goat.  
Trip trap, trip trap, trip trap, trip trap**

**"Whoa who's tripping over my bridge?  
I'm going to eat you up"**

**He said "Don't eat me Mr. Troll.  
I'm scrawny and small,  
I won't satisfy your appetite at all.  
Wait for my brother he's bigger than me"  
The troll said, "pass on by, I'll wait and see"**

**Then came the next billy goat, a little bit bigger.  
Trip trap, trip trap, trip trap, trip trap**

**"Whoa who's tripping over my bridge?  
I'm going to eat you up"**

**Then the middle one said  
"Don't eat me Mr. Troll.  
I'm scrawny and small,  
I won't satisfy your appetite at all.  
Wait for my brother he's bigger than me"**

**Then the troll thought a minute and said,  
"Pass on by, I'll wait and see"**

**Then came the biggest Billy Goats Gruff  
Trip trap, trip trap, trip trap trip trap**

**"Whoa who's tripping over my bridge  
I'm going to eat you up"**

**He said, "It's me the biggest Billy Goat Gruff,"  
"Come on up if you think you can eat me up"  
So the troll climbed up the bridge.**

**Then the biggest Billy Goat Gruff  
As sure as you're born  
Lowered his head and took his horns  
And knocked the troll in the water  
Splash!**

## 9) The Wright Brothers Song

Wilbur said to Orville “let’s go and fly a kite  
And watch the wind pick up now  
As the colors all take flight!  
Isn’t it amazing to watch that kite tail soar!  
It makes me want to learn  
To fly more and more and more!”

Then Dad bought Will and Orville  
A helicopter toy.  
Orville screamed “ooh, watch it zoom!”  
While Wilbur beamed with joy.  
That was the beginning  
Of a true love of flight  
Two wonder boys – a special toy  
Would soar to higher heights!

Chorus:  
We are the Wright brothers –  
The really out of sight brothers,  
We’re funny, sweet and bright brothers.  
We dream the biggest dreams.  
We are the Wright brothers  
The soar to highest height brothers.  
Our dreams are in our sight brothers.  
We can do it! We’re a team.

Later on the brothers  
Opened Wright Cycle Exchange.  
They built and repaired bicycles  
And saved up their small change.

Then Orville mad a sweet machine  
To add and multiply  
They had many great inventions  
But they just wanted to fly!

The brothers studied human flight  
By gliding on the wind.  
When it didn’t work (boom, crash)  
They would try again  
They hurried off to Kittyhawk  
And there made twelve glider flights.

**An airplane with an engine  
Was finally in their sights.**

**Bridge:**

**After many trials and erros  
The Wright looked to the sky.  
A four-cylinder engine  
Was how they aimed to fly  
And this they did – these two young boys  
Who grew to become men –  
Who went from flying kites  
To flying airplanes and friends.**

## 10) Weirder than Weird Animals

Weirder than weird animals  
Weirder than weird animals  
You take the front end of an elephant  
You put a crocodile in the middle  
You take the back side of a pelican

What have you got? An ele-croco-can  
That's gotta be weirder  
Than the weirdest animal you've ever seen

Weirder than weird animals  
Weirder than weird animals  
You take the front end of an octopus  
You put a buffalo in the middle  
You take the back side of an antelope

What have you got? An octo-buffa-lope  
What have you got? An octo-buffa-lope  
That's gotta be weirder than  
The weirdest animal you've ever seen

Weirder than weird animals  
Weirder than weird animals  
You take the front end of an \_\_\_\_\_  
You put a \_\_\_\_\_ in the middle  
You take the back side of an \_\_\_\_\_

What have you got? An \_\_\_\_\_  
What have you got? An \_\_\_\_\_  
That's gotta be weirder  
Than the weirdest animal you've ever seen

## **11) Get up, Let it Rain, Pitter Pat**

**A birdie with a yellow bill  
Hopped upon the window sill  
Cocked his shining eye and said,  
“Ain’t you ‘shamed, you sleepy head?”**

**Get up (get up), get up (get up)  
Yes, it’s time to get up  
Get up (get up), get up (get up)  
Yes, it’s time to get up**

**The rain is raining all around  
It falls on field and tree  
It rains on the umbrellas here  
And on the ships at sea**

**Let it rain (let it rain),  
Let it rain (let it rain)  
What goes up must come down again  
Let it rain (let it rain), let it rain (let it rain)  
Uh huh, let it rain**

**Mother, you too may read my rhymes  
For love of unforgotten times  
And you may chance to hear once more  
The little feet, along the floor**

**Pitter pat (pitter pat), pitter pat (pitter pat)  
Little bitty feet, they go like that  
Pitter pat (pitter pat), pitter pat (pitter pat)  
Uh hum, pitter pat**

**Get up (get up), let it rain (let it rain)  
Pitter pat (pitter pat), it goes like that  
Get up (get up), let it rain (let it rain)  
Pitter pat (pitter pat) (Repeat verse)**

**Sing me a dance, dance me a song  
Let your voice dance the rhythm  
Of learning and living  
As the words in your feet sing along**

Baby ballet, big and strong**

**Each sound, every movement  
It's your turn to do it  
Sing me a dance, dance me a song.**

Paint every word, till the colors are heard  
And the story's a picture before me**

Red, white and blue in a blaze of glory  
Every rainbow, each chapter  
Until ever after

Sing me a dance, dance me a song**
